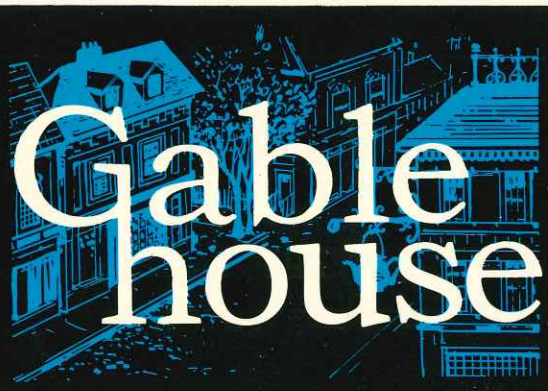
BEDROOM AND DINING ROOM FURNITURE

THE SWEAT-COMINGS CO., RICHFORD, VERMONT



Gable house

Among those who know and love colonial furniture, the name Gable House has been a New England tradition since 1894.

Since before the turn of the century, Gable House has meant bedroom and dining room furniture of distinction. Hewn from solid northern rock maple. Rich with the warmth of a hand-rubbed finish. Handsomely styled and beautifully appointed. That's Gable House.

In this collection you will find a wide choice of bedroom and dining room furniture carefully designed to suit every space and living need. Please note, too, that any piece you select may be in the finish of your choice: in our traditional VINTAGE MAPLE or the new, darker PATINA. All cases are dustproofed throughout and drawers are fully dovetailed and center guided.

When you select Gable House you are assured of the ultimate in quality and craftsmanship. Only the finest northern rock maple is used—carefully selected for strength, durability and beauty of grain—seasoned by our rugged winters and carefully kiln-dried before final milling.

Gable House. Now, as always, truly fine furniture crafted in the great New England tradition.
